

# Unclaimed Capital Credits

## Help us find our lost members

### ***Did you have electric service with Anza Electric Cooperative, Inc. at one time?***

If so, you or someone you know may be entitled to capital credits. Anza Electric is a not-for-profit electric utility cooperative and any excess operating revenue is given back to our members (those who had service with AEC) as capital credits.

When capital credit checks are returned to AEC due to an incorrect address they are voided and added back to the member's capital credit account.

After two years, any unclaimed checks can be returned to AEC (*Article VII, Section 3, Part B*).

But before that next step takes place, AEC needs to make every effort to find our "lost" members.

Since many individuals have the same names, additional information is required in order

to properly identify these individuals.

Please complete the information below and submit directly from the AEC website or submit an email to [aec@anzaelectric.org](mailto:aec@anzaelectric.org) and provide the following information:

- Complete name (*First, middle, last*)
- Name of spouse (*if applicable*)
- Last four digits of Social Security Number and/or Driver's License Number.
- Address or street name where they had electric service with AEC.
- Current mailing address
- Current phone number

**Deceased Individuals:** If the name belongs to a deceased individual, the executor, trustee or beneficiary may contact us via email at [aec@anzaelectric.org](mailto:aec@anzaelectric.org) so that options regarding the account and any remaining balance can be addressed. In all cases, proper documentation will be required if any action is taken with the deceased's account.

The entire list is also available on our website. Please visit [www.anzaelectric.org](http://www.anzaelectric.org). Click on the "Capital Credits" tab and then select "uncashed checks."

***In order to reduce the number of phone calls associated with this large list, we are requesting that all inquiries be made via email or to complete the on-line form on our website; allowing us to compare the information with our files. Thank You.***
