

# Cash In On Savings With Special Card

## The Co-op Connections Card program

It is important for Anza Electric Cooperative to provide its members with safe, reliable power. Yet our service goes beyond the wires. It also is important to offer additional value that has a positive impact on everyone in the community.

As a Touchstone Energy cooperative, AEC strives to meet that goal every day. That is why AEC, in conjunction with other Touchstone Energy cooperatives, participates in the Co-op Connections program. This card-based member benefit program is designed to deliver added value to members by offering valuable savings at participating local and national businesses.

Whenever a Co-op Connections cardholder—whether from AEC or one of the hundreds of Touchstone Energy co-ops across the country—shows the Co-op Connections Card at a participating business, a discount is received. Businesses benefit from increased customer visits by co-op members.

It is easy to spot which local businesses are participating. Look for the Co-op Connections sticker in their window or log on to check out the list of participants.

A partnership with New Benefits—a nationally recognized provider of uninsured health benefits—allows Co-op Connections cardholders to save money on prescription drugs at more than 48,000 pharmacies nationwide, including some in Temecula, Hemet, Anza and the desert area.

Search online to find discounted prices on prescriptions ([www.rxpricequotes.com](http://www.rxpricequotes.com)) and participating locations ([www.locateproviders.com](http://www.locateproviders.com)). To check out other national discounts—such as Sprint, DISH Network and Hertz—go to [www.connections.coop](http://www.connections.coop).

This same program that offers discounts at local merchants and has saved Anza Electric Cooperative, Inc. members more than \$25,000 on prescriptions, now offers you significant savings on dental, vision, hearing, lab & imaging services and chiropractic work.

Simply show your Co-op Connections Card at a participating provider and you will receive a discount.

To locate providers that participate in the Healthy Savings program, call 800-800-7616 or visit [www.healthysavings.coop](http://www.healthysavings.coop).
